Sub - Non-implementation of SC/ST Reservation policy of the Govt. in the matter of admission to the Professional Courses by the Universities and Colleges / Institutes - regarding.

Sir
The University Grants Commission has received representations stating that the Universities and Colleges/Institutes are not following the SC/ST Reservation Policy of the Govt. in the matter of admission to the Professional courses.

The UGC Standing Committee on SC/ST at its meeting held on 20th January, 2009 discussed the above matter in the light of UGC norms/guidelines and resolved that in all aided and unaided institutions reservation should be implemented in self-financing professional courses for the SC/ST candidates. Fees if any, required to be paid by SC/ST students should be paid to the institutions by the Government. Under no circumstances, the SC/ST candidates seeking admission to professional courses should charged fees in any form.

The above decision of the UGC Standing Committee on SC/ST was also reported to the Commission at its 450th meeting held on 22nd June, 2009. The Commission ratified the above decision.

You are therefore, requested that all the Colleges/Institutes, which are receiving grant-in-aid from the public fund and developed their infrastructure i.e. land, building, class rooms, libraries, laboratories etc. from the public fund/grant and now running Professional courses in the pattern of Self-financing/un-aided pattern providing reservation to SC/ST candidates/students in the admission to these courses, may be asked to provide reservation to SC/ST candidates/students in all such Professional Courses on the Government pattern and set advise rates/fees.

An early action in the matter will be highly appreciated. An action taken report may also be sent to UGC at an early date.

Yours faithfully,

(Sharanjit Singh)
Joint Secretary
