Dr. Vinodray J. Kaneria, a distinguished academic and researcher, holds a Ph.D. in Mathematics from Saurashtra University. He currently serves as Professor and Head of the Department of Mathematics at the same institution. With an extensive postgraduate teaching career spanning 28 years and 18 years of research experience, Dr. Kaneria has made significant contributions to the field of Graph Theory, particularly in Labelling Techniques.

His areas of expertise include Algebra, Graph Theory, Topology, and Real Analysis. Dr. Kaneria has published one book and authored or edited 79 research papers, demonstrating his active engagement and influence in the academic community. He has successfully guided 10 research students and is currently mentoring 8 more.

Dr. Kaneria's scholarly impact is further reflected in his H-index of 11 and I-10 index of 16. He has received invitations from other universities and institutions, acknowledging his expertise and contributions to mathematics. Dr. Kaneria's dedication to teaching, research, and mentorship has established him as a highly respected figure in his field.
