8.Future Plans of Actions for Next Academic Year

The Saurashtra University is a premier institute in the regions and hence holds the responsibility of catering to the masses as well as high aspirants in terms of quality education. The University plans to excel in the field of higher education by proposing the following for the next academic year: • Starting new programmes in emerging areas: Computing and cloud technology, cutting edge issued in the field ICT, biotechnology, bio informatics, cheminformatics, etc. are the emerging areas in the field of higher education. The Saurashtra University is thinking of starting new programmes in these areas and beyond. The University revises its syllabi every three years and it is due in the next academic year. • Starting skill based programmes There is a high demand of graduates having certain skills learnt during their study period. Often, our regular programmes are not coming up to the mark in terms of satisfying skill requirements. Hence, the Saurashtra University proposes to start new skill based programmes in the coming year. The University may think to introduce some courses/papers catering skill needs among students. • Promoting Green Campus Drive The Saurashtra University has more than 31,000 grown up trees on its campus. There is an

addition of almost 1000 trees every year to the available green stock on the campus. We are having a considerable portion of green patch. However, we propose to enhance this green campus drive by planting more of number trees and water conservation facilities. Further, the University proposes to undertake water harvesting drive across the campus. We are generating our energy requirements through solar power panels. Moreover, we are energy surplus unit and thus supplying excess energy the Pashchim Gujarat Vij Company Limited.

- Enhancing Placement Activities The Saurashtra University has a fullfledged Placement Officer who looks after placement and training activities of the University. Further, the University organizes job fairs on the campus on a regular interval. We are proposing to enhance placement activities by increasing number of companies visited and students placed.
- Promoting Research in Applied Areas Applied sciences are having good focus on researches in their respective departments. The Saurashtra University proposes to promote quality researches in applied areas in the coming academic year.
- Promoting Faculty Members for more Major and Minor Research Projects The Saurashtra University provides the Seed Money Project and Major Research Projects to its faculty members on a regular basis to enhance research culture on the campus. Besides, it is a priority of the University that the faculty should apply to external funding agencies such as UGC, ICSSR, DST, etc. for major and minor research projects. Hence, it is, hereby, proposed by the University to motivate faculty members to act accordingly.
